## WERKZEUGTROLLEY

### TECHNISCHE SPEZIFIKATIONEN

|                         |                                  |
|-------------------------|----------------------------------|
| Teile                   | 97                               |
| Material                | Acero inoxidable/Stainless steel |
| Module                  | 3                                |
| Maß erstes Modul        | 500x310x240mm                    |
| Maß zweites Modul       | 500x310x170mm                    |
| Maß drittes Modul       | 500x310x330mm                    |
| Kapazität erstes Modul  | 12,000L                          |
| Kapazität zweites Modul | 10,000L                          |
| Kapazität drittes Modul | 20,000L                          |
| Enthält                 | 14327                            |
| Gewicht                 | 23,00Kg                          |
| Abmessungen (LxBxH)     | 500x310x720mm                    |

### BEINHALTET

|                                                                                    |                                               |
